Important Disclosure Statement from Quantlogic Ltd

This document is issued by Quantlogic Limited solely for its clients. It is for professional clients only. It may not be reproduced, redistributed or passed to any other person in whole or in part for any purpose without written consent of Quantlogic Ltd. This material is not directed at you if Quantlogic Ltd is prohibited or restricted by any legislation or regulation in any jurisdiction from making it available to you.

This document is provided for information purposes only and should not be regarded as an offer, solicitation, invitation, inducement or recommendation relating to the subscription, purchase or sale of any security or other financial instrument. This document does not constitute, and should not be interpreted as, investment advice. It is accordingly recommended that you should seek independent advice from a suitably qualified professional advisor before taking any decisions in relation to the investments detailed herein. All expressions of opinions and estimates constitute a judgement and, unless otherwise stated, are those of the author and the research department of Quantlogic Ltd only, and are subject to change without notice. Quantlogic Ltd is under no obligation to update the information contained herein. Whilst Quantlogic Ltd has taken all reasonable care to ensure that the information contained in this document is not untrue or misleading at the time of publication, Quantlogic Ltd cannot guarantee its accuracy or completeness, and you should not act on it without first independently verifying its contents. This document is not guaranteed to be a complete statement or summary of any securities, markets, reports or developments referred to herein. No representation or warranty either expressed or implied is made, nor responsibility of any kind is accepted, by Quantlogic Ltd or any of its respective directors, officers, employees or analysts either as to the accuracy or completeness of any information contained in this document nor should it be relied on as such. No liability whatsoever is accepted by Quantlogic Ltd or any of its respective directors, officers, employees or analysts for any loss, whether direct or consequential, arising whether directly or indirectly as a result of the recipient acting on the content of this document, including, without limitation, lost profits arising from the use of this document or any of its contents.

This document is provided with the understanding that Quantlogic Ltd is not acting in a fiduciary capacity and it is not a personal recommendation to you. Investing in securities entails risks. Past performance is not necessarily a guide to future performance. The value of and the income produced by products may fluctuate, so that an investor may get back less than he invested. Investments in the entities and/or the securities or other financial instruments referred to are not suitable for all investors and this document should not be relied upon in substitution for the exercise of independent judgment in relation to any such investment. The stated price of any securities mentioned herein will generally be the closing price at the end of any of the three business days immediately prior to the publication date on this document. This stated price is not a representation that any transaction can be effected at this price.

Quantlogic Ltd and its respective analysts are remunerated for providing investment research to professional investors, corporations, other research institutions and consultancy houses. Quantlogic Ltd, or its respective directors, officers, employees and clients may have or take positions in the securities or entities mentioned in this document. Any of these circumstances could create, or be perceived as creating, conflicts of interest. Quantlogic Ltd analysts are not censored in any way and are free to express their personal opinions. As a result, Quantlogic Ltd may have issued other documents that are inconsistent with and reach different conclusions from, the information contained in this document. Those documents reflect the different assumptions, views and analytical methods of their authors. No director, officer or employee of Quantlogic Ltd is on the board of directors of any company referenced herein and no one at any such referenced company is on the board of directors of Quantlogic Ltd.

Quantlogic Ltd is an appointed representative of Messels Ltd which is authorised and regulated by the Financial Conduct Authority. Residents of the United Kingdom should seek specific professional financial and investment advice from a stockbroker, banker, solicitor, accountant or other independent professional adviser authorised pursuant to the Financial Services and Markets Act 2000.

The content of this report is covered by our Policy of Independence which may be viewed at www.Quantlogic.com

The performance history of research recommendations over the last 12 months is available to clients on request.

Analysts' Certification

The analysts involved in the production of this document hereby certify that the views expressed in this document accurately reflect their personal views about the securities mentioned herein. The analysts point out that they may buy, sell or already have taken positions in the securities, and related financial instruments, mentioned in this document.
